# ANNUAL STAFF

## *Editor's Comments*

We, as editors of the 1982 Blue Devil, would like to take this time to say that it has been both an honor and privilege to compose this year's annual. Many long hours have gone into the composition of this annual.

A special thanks goes to Miss Jackson and the journalism class for their hard work and cooperation. For without their efforts, this year's annual would not have been possible.

We hope each one of you enjoy and treasure this annual as much as we do.

# *Eighty Two . . . The Whole Year Through . . .*

Our moments spent here  
with our friends are filled  
with memories that we  
shall cherish forever. It is  
our hope that your years  
shall be as happy and ful-  
filling as ours have been.  
Class of '82

# IN MEMORY OF

Mrs. Kay Wright Hearn  
February 2, 1940 — March 27, 1981

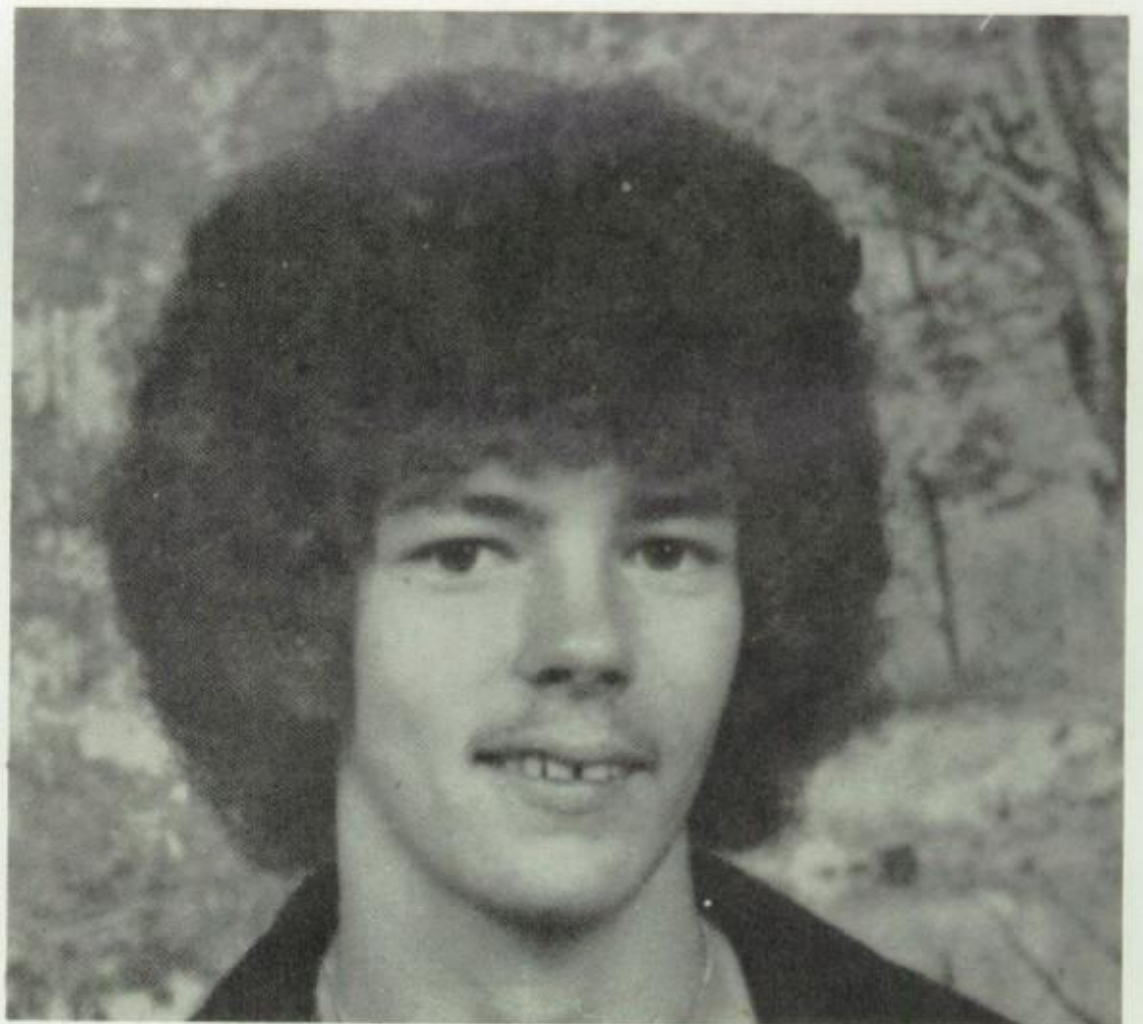

It has almost been a year since we last saw her smiling face. We will never forget the way she helped us with all our problems. We miss her as much today as we did on that Friday long ago. It still hurts to think of her leaving us. We are all comforted to know that she has gone to a better place. We know that on graduation day her spirit will be with us.

The Class of "82"

Business Teacher 1974-1981

Billy Wayne Reeves  
November 17, 1962 — October 3, 1981

The halls of Lowes High School have greatly missed the presence of Billy Reeves. He was a student at Lowes for many years and during those years he made many friends. As friends and fellow students we would like to express our deep sympathy to his family. His presence can no longer be with us physically but spiritually it will be with us forever.
